

3 HIDDEN HACKS FOR THIS SPRING!

Spring is here!

Warmer days, fresh air, and new adventures –yes, please!

Vaseline keeps your skin glowing, but it does more.

Check out 3 Hidden Hacks for this spring!

Tame Flyaways

Spring winds = frizz. A dab of Vaseline smooths flyaways for a sleek look.

Make Perfume Last

Apply Vaseline to pulse points before spraying perfume. It locks in scent all day.

Hold Your Look

A touch of Vaseline on brows and lashes keeps them polished, even in spring's humidity.
